

AeroTough® GF Fuel Cap Washers

FAA and TCCA Approved

Avoid the hassle of difficult to open and close fuel caps.
An easier way.

Overview

Installing Marsh Brothers non-metallic AeroTough® GF (Grease-Free) Fuel Cap Washers will ensure your fuel cap will remain safe and functional making opening and closing much easier. AeroTough® GF is a durable polymer with inherent self-lubricating properties.

Benefits

- ✓ Consistent open/close force required to operate the fuel cap locking tab.
- ✓ A smooth operation of the fuel cap locking tab.
- ✓ Long wear life.

"They Work! I did not expect a bit of polymer to be worth 90 bucks but I was wrong. It is hard to believe the improvement they bring to the gas cap. They are more than worth the price. You have to turn it to believe it."
